

December 3, 1968

Rod criticizes loyalty oaths and assesses the generation gap at Moorpark College, in California. After former writing student Jeanne Marshall (seated, left) invited Rod to speak, the college insisted that he sign a loyalty oath. Refusing to sign, he said: *"...if indeed, I were hell bent to subvert the government of the United States, I would certainly have no qualms about signing anything."*

Read the speech and about the controversy at www.rodserling.com.

The Rod Serling Calendar for DECEMBER 2001

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
