Opening narration:

Always a Winner ? Billy is! Because we know the Deck of Cards are always stacked in Billy Fenton’s favor. Meet Carl Belmont who’s life is going to take a turn as Luck takes a back seat to the cards drawn right out of the Twilight Zone.

Closing narration:

Seemingly a Historic relic, Billy Fenton’s Always a winner strategy has folded into some kind of playschool, a playschool into the back of his mind, lost at last as Carl Belmont found fortune and hope at the far reaches of the Twilight Zone.
