### **Opening narration:**

It's said that a picture is worth a thousand words, and things don't always come true because they are wished for. Tonight, Robert Fray, a lonely man, a frightened man is about to find out just how true those words can be, as he travels down a one-way street with exits going anywhere, nowhere and everywhere.

### **Closing narration:**

Robert Fray found out that you can run, but you surely can't hide. A lesson to keep in mind, especially if you happen to live on the edge of a town known as the Twilight Zone.
