

## **“The Last Flight of Hans Richter”**

Copyright 2018 by Jeremy Whitham

### **Opening narration:**

Witness a most peculiar event, happening at this moment, in the San Fernando Valley, California. A German Luftwaffe fighter plane not seen in the skies since World War II has crash landed on the highway. A terrified pilot smuggles himself from the flaming wreckage. He carries on his person a silver timepiece, a passport, and a loaded Mauser pistol – the personal effects of one Hans Richter, officer of the Third Reich. Hans Richter, who disappeared without a trace before facing judgment in the Nuremberg trials. But as he will soon learn, the penalty for some crimes can follow a man beyond the boundaries of time... into the Twilight Zone.

### **Closing narration:**

Hans Richter slipped through a tear in the fabric of time, desperate to evade the irons of justice. But today, the many souls who suffered under his injurious command have delivered their final verdict: Condemned for eternity... in the Twilight Zone.
