### **Opening narration:**

The world's greatest detective, Sherlock Holmes, is facing the most serious battle of his career. It may seem to be an ordinary game of chess with his arch-rival, Moriarty, but Sherlock Holmes is about to discover that his fiercest adversary is his own guilt-ridden mind.

### **Closing narration:**

A simple game of chess...but a game that is being played without an opponent that anyone else can see. But for Sherlock Holmes, it does not matter what the outside world can or cannot see. Because, for the world's greatest detective, this winner take all game is taking place in the Twilight Zone.
