

## **“Fury of the Bald”**

Copyright 2018 by Chris McIntosh

### **Opening narration:**

Portrait of a man, one Chris Kincaid, suffering from an affliction doctors refer to as 'male pattern baldness'. Despite feverish attempts to slow down the hands of time, his desperate search to find a cure has left him unsuccessful in undoing Father Time's handy work. That was until today when his efforts will yield him results, for better and for worse, because he has just walked into...The Twilight Zone.

### **Closing narration:**

It has been said that one cannot go back. That life is a constant motion always moving forward, unrelenting and never flinching. A cruel lesson Mr.Kincaid has learned the hard way during a humbling stay in The Twilight Zone.
