

“Man of God”

by Bruce A. Babcock, copyright 2017

Opening narration:

This small boy you see at the temple courts sitting among the teachers, listening to them and asking them questions, has amazed them when hearing the understanding and his answers.

At age 33 it became very clear he could no longer be confined to the Twilight Zone.

Closing narration:

Death and destruction caused by sexual immorality, impurity, idolatry, hatred, discord, jealousy, fits of rage, selfish ambition, envy; drunkenness, orgies, and the like had spread beyond the confines of the Twilight Zone.

2000 years ago a man was sent to teach love, joy, peace, patience,

kindness, goodness, faithfulness, gentleness and self-control.

This living water put out the flames of evil and now flows through all the rivers and streams of the Twilight Zone.

This man, Jesus Christ, had handed you the keys to unlock the door to Heaven On Earth"
