

“Roger Thumperade”

by Bruce Medici, copyright 2017

Opening Narration:

Meet Roger Thumperade, a quiet man who seldom speaks to anyone. He is polite, never interrupts and has a smile for everyone he meets. Mr. Thumperade has always been a man of taste and manners, but tonight all that will change.

Tonight a man with manners will be replaced by a foul mouthed tyrant, incapable of even the slightest modesty. Tonight, Roger Thumperade will degrade his image from a man of logic to a verbal thug—the next loudmouth in the Twilight Zone.

Closing narration:

Case in point: not everything is as it seems, as Mr. Thumperade discovered. Being rude is not a good way to get what you want from people. And an objectionable man with no compassion has rediscovered manners and understanding.

Both ingredients have been returned to him and everyone he knows, sent by direct mail from the Twilight Zone!
