Opening Narration:

Meet Dealin' Don.

One part used car salesman and one part con man.

He is about to make the trade of a lifetime,

One which will bring him all the fame, riches, and power in the world,

And all it will cost is a little thing called his immortal soul.

File this case under Contract Law, in the legal department of the Twilight Zone.

Closing Narration:

When the devil comes to collect his due,

Make sure you have what you owe him.

Dealin' Don tried to pull a fast one,

Promising something he never had,

But he didn't count on facing a bigger liar than himself.

Now he must make good on a bad deal

In the hottest corner of the Twilight Zone.
