### Opening Narration

Life is made up of joy and sorrow. Birth and death. A fact of human existence. But, if you knew something tragic was about to happen, say five minutes before, could you stop it? Julie Barnes has wondered about this for years. A ordinary woman who believes everything happens for a reason, she asks “Why?” When a tragic accident or vicious murder has taken someone she cares about, she thinks “what if five minutes before, someone stopped it?” Today Julie Barnes gets the answers she’s looking for in an unexpected place, just around the corner in the Twilight Zone.

### Closing Narration

Picture of a woman who got the answer she was looking for, but now knows it makes no difference. Destiny, fate, the scheme of things, all facts that intervene when someone tries to change life. Not a happy thought, but one of truth, only found in, the Twilight Zone.
