Opening Narration

Father Jim was funny, but when God didn't answer his fervent prayer to be famous, he chucked the faith.

Now his spiritless comic routine pays roughly enough to keep a pet alive.

Tonight Jim will discover that prayers get convoluted as they pass through ... THE TWILIGHT ZONE.

Closing Narration

The red “ON” sign illuminated, Jim began his routine.

“I once prayed for something and God didn't deliver.

So I thought maybe I should pray to Santa instead? But Santa and Satan are the same letters.

Now I'm afraid ... What's in my Christmas Stocking? ... Phew, just an apple.”

They laughed. Jim looked at the “ON” reflected in the mirror ... “NO.”

He realized, “NO”, was God's answer to his prayer.

Now Jim's ADAM AND EVE APPLE PIES, *made with forgiveness*, are famous.
