

“RUTH T.”

© 2020 by Ron Adams

Opening Narration:

When stretching the truth, RUTH T. cannot be beat.

She's masterful at the commerce of ill-gotten gain and deception.

Degas' contaminated medium, Thoreau's venomous homily.

RUTH T. is a scourge in this sophisticated world, an affront to progress.

If she bore the power she would put transmogrify back at the starting blocks.

Why must she exist?

Gathering evidence you will soon discover that if RUTH T. is set free ... it's a Free-For-All.

She's held without bail awaiting trial in ... *THE TWILIGHT ZONE*.

Closing Narration:

RUTH T., goddess of TRUTH, curbing mankind's proneness to malevolence and destruction.

She has solved all crimes save one ... Humanity's avoidance of her.

Without RUTH T., there is no TRUTH.

Count your blessings, for unescorted by - R U T H - you might get - H U R T -.

Something to consider while adjourning as the gavel resounds from ... *THE TWILIGHT ZONE*.
