Opening Narration

Introduction to a social media superstar, from his humble beginnings as a child where he enamoured millions of viewers who watched him get his finger bit by his younger brother Charlie, his obsessive journey to regain the notoriety he experienced as a child will take him straight through the unforgiving memes of the Twilight Zone.

Closing Narration

Harry Davis Carr having made every attempt to be recognized again by the social media world has exhausted the only part of him that he believed would give him the attention that he so craved. But alas he has sacrificed his last remaining digit. Harry Davis Carr now remains forever fingerless in the Twilight Zone.
