### Opening Narration

You've heard the labels. Ambulance chasers. Looky Loos. Nosy parkers. People whose curiosity outweighs a person's privacy or common decency. xKevin Elder doesn't care; he gets a kick out of watching a fire eating away a family's home or the aftermath of a deadly car crash. But when Mr. Elder violates one person's worst nightmare, he finds himself sharing it in a way that he can't look away from. A news story that only can happen...in the Twilight Zone.

### Closing Narration

Just another news story, ready to air on the news at 11. But for Kevin Elder, whose need to have his curiosity satisfied has been answered in the most final way possible, it's a story with a very unhappy ending. Airing for all eternity...in the Twilight Zone.
