Opening Narration

Imagine, if you will, a woman born with scars and being subjected to torment for most of her life. She dreams of marrying her prince only to find out that the man she married is as cruel as her previous tormentors. Let's watch what unfolds as Karma proves to be a very real concept in the Twilight Zone...

Closing Narration

In the vast universe, there is a form of justice known as Karma. She sits in the unknown waiting, waiting with neverending patience, forever watching over us... in the Twilight Zone.
