### Opening Narration

“Once Upon A Time.” Four words that can either be a promise of a tale as old as, well, as humanity or a well-worn cliché. But what if everything you knew was suddenly make-believe, a story that no one would believe? Jenni Scott, an overworked, underappreciated caregiver is about to find out that wishing for her own “Happy Ever After” may not be so magical...in the Twilight Zone.

### Closing Narration
