Opening Narration

Say hello to Abe Evenson, a recluse, a self-proclaimed, self-made tech billionaire. Rarely working outside the walls of his isolated country mansion, today Abe reluctantly travels to oversee the final phase of his newest creation, a marvel poised to redefine the foundations of medical research.

As Mr. Evenson pilots his private jet into the night sky, he is unaware of his upcoming, unexpected layover...in the Twilight Zone.

Closing Narration

Considered a genius by most, Abe Evenson’s relentless pursuit of his own singular vision led him to a place of utter solitude. Now as Mr. Evenson finds himself alone and out of ideas, it seems he's been outsmarted...by the Twilight Zone.
