Opening Narration

An average Truck stop, an old Highway that binds (Food Guru) Kurt Marshal to a slice of Heaven in the form of an Apple pie that holds a recipe right out of the finer edge of the Twilight Zone.

Closing Narration

Obsession shows its head in all forms and for Mr. Marshal. His Discovery of the secret ingredient is an unsigned contract of submission to just being a customer at a particular truck stop that prescribes a dash of "Goodness" from the pallet of the Twilight Zone.
