Opening Narration

Timothy Blair. Distracted milkman by day; aspiring author by night. A dreamer whose contemplation of fictitious realms supercedes his awareness of the state of his home or the whereabouts of children. He is an explorer of the mind on a perpetual quest for the most imaginative of worlds—worlds which he will discover tonight in the Twilight Zone.

Closing Narration

Mr. Timothy Blair. Formerly a seeker of the extraordinary; now in a frantic search for the familiar along a dim and endless corridor. But the door he seeks is not to be found—not by him or any others who venture into this wing of the Twilight Zone.
