### Opening Narration

This “effigy pipe” belongs to a Mr. Mueller. His mysterious discovery was lifted out of a coal seam that gives it an age that defies logic of known human occupation of our planet. The feature of the pipe is not the beauty of the ornate frog carving, it’s the properties that include the induction of nightmares by merely touching it with a bare hand. So locked in its special case only to be stolen by some tag team we’ll call Eddie and Billy that only morphs things beyond nightmares into the Twilight Zone.

### Closing Narration

It's a good bet Mr. Mueller did not have handling instructions to go with that pipe. But for Eddie and Billy, none needed leading Eddie never to be seen again and with Billy gifted a free padded room with meals and postage cards received here and there, postage paid by the Twilight Zone.
