Opening Narration

What you see is JT Barnes, a woman on her knees, one moment happy that her Christmas decorations are hanging perfectly on the hedge around her apartment, the next crying out in terror as she pitches headfirst into said hedge. Just because she was tired of using a cane and “looking old”.

What happens next? This holiday JT will learn the gift of accepting a little help, with a nudge or two into...the Twilight Zone.

Closing Narration

It's said that good things come in small packages...but for JT Barnes, her package is a bit of wisdom, a healthy appreciation for helping hands and a 3-wheeled walker that will make her Christmas a happy one, if not a safer one. A little Christmas magic, from the Twilight Zone.
